

# Market Expansion Strategy

## **Question:**

How should a B2B SaaS product expand into the APAC region?

**Category:** business-analysis

**Difficulty:** Advanced

**Tags:** Strategy, B2B SaaS, APAC, Pricing

## **Framework / Approach:**

1. SWOT Analysis
2. Competitor Benchmarking
3. Go-to-Market Strategy
4. Pricing Optimization

## **Snapshot / Solution:**

Analyzed the competitive landscape in 3 key APAC markets (Singapore, Australia, India). Conducted SWOT analysis and identified pricing and localization as major barriers. Recommended a tiered pricing model and local partnerships for go-to-market. Projected 15% increase in ARR within the first year.
